PROFILE

Full-stack developer (React, Firebase, Spring Boot, Django) who built and runs a live platform used daily by 180 people, as the only developer. Studying programming and legal practice, aiming for business law, with a focus on software where tech, finance and law meet. Currently interning at Bookbetter.

PROJECTS

React, Firebase	**Camp planning** Platform where volunteers submit their availability and administrators build a schedule. I am the only developer: designed, built and maintained on my own. Uses Firestore, Auth, Storage and Functions. Around 180 users, used daily, in production. Private application.
Spring Boot, Firebase, Stripe	**Padel app** Padel club app with automatic schedule generation, score entry and approval, and Stripe payments. Team project.
HTML, CSS, JavaScript	**Crownfield** Site for a horse art roleplay game on MyHorsez.com. crownfield-stud.web.app
React	**Dynamic Web Apps** Quiz platform where teachers add questions and students practise through interactive quizzes.

EXPERIENCE

Sep 2026 – present	**Intern at Bookbetter** Building features with Django and React, working in Jira and tracking product usage with PostHog.
Sep 2026 – present	**STEM Coach** Giving STEM lessons.
Sep 2025 – Jun 2026	**Logiscool Coach** Teaching programming lessons to children.
Apr 2025 – present	**Camp Coach at Beweeghelden** Giving children STEM and creative sessions, encouraging them in an educational way.
Feb 2024 – Jul 2024	**Student Job Customer Service at Engie** Answering phone calls, drawing up contracts, giving information on energy prices, arranging moves, sales and callbacks.
Mar 2022 – Apr 2022	**Internship at Agfa Gevaert, Mortsel** Installing and configuring PCs and servers, checking switches, replacing and upgrading hardware.

EDUCATION

Sep 2026 – present	**Legal Practice at AP University of Applied Sciences** Studying alongside programming, with the aim of specialising in business law.
Sep 2025 – present	**Programming at Thomas More** Programming studies with a focus on full-stack development.
